Docket No. A2012-108

PUBLIC REPRESENTATIVE RESPONSE TO THE UNITED STATES POSTAL
SERVICE "NOTICE OF ERRATA"

(April 5, 2012)

On April 4, 2012, the Postal Service filed a "Notice of Errata" to its original motion to strike.¹ The Notice states that the Postal Service "regrets the inconvenience, but does not believe that any party will be prejudiced by the filing." *Id.*

This unconventional filing and the reworded arguments based on incomplete facts,² present information to the Commission that the Public Representative believes is prejudicial to the South Valley Station petitioners' appeal. Given these additional filings outside the procedural schedule, the Public Representative respectfully asks the Commission to clarify on which issues, if any, it seeks supplemental information prior to rendering its decision.

Respectfully submitted,

/s/ Manon A. Boudreault
